At the July 19, 2012 hearing of the Michigan Liquor Control Commission  
(Commission) in Southfield, Michigan.

**LICENSING APPEAL ORDER**

On April 3, 2012, Shamika Robinson (applicant) filed a request for a new Salesperson license. At a meeting held on April 13, 2012, the Commission denied this request under administrative rule R 436.1105 after considering the prior misdemeanor record and driving record of the applicant.

The applicant submitted a timely request for an appeal in this matter, and appeared at the July 19, 2012 hearing, at the Commission's Southfield office.

After hearing arguments, reviewing the MLCC file, and discussion of the issue on the record, the Commission finds that the applicant sufficiently demonstrated mitigating circumstances relative to her past misdemeanor record and driving record, removing the previous questions concerning the applicant. The Commission also finds significant that the applicant has taken and passed a server training program which was demonstrated through presentation of the applicant's TIPS® Certification Card. The Commission also

finds that, while the applicant was on probation when her application was before the Commission for consideration, the applicant was discharged from probation on May 22, 2012.

The Commission finds sufficient reasons to reverse its denial issued in this matter and to approve the applicant's request for the reasons stated on the record.

THEREFORE, IT IS ORDERED that:

A. The denial order of April 13, 2012 issued in this matter is reversed and the applicant's request is APPROVED.

B. Under administrative rule R 436.1003, the licensee shall comply with all state and local building, plumbing, zoning, sanitation, and health laws, rules, and ordinances as determined by the state and local law enforcements officials who have jurisdiction over the licensee. Approval of this license by the Michigan Liquor Control Commission does not waive any of these requirements. The licensee must obtain all other required state and local licenses, permits, and approvals before serving or selling alcoholic liquor.

C. Failure to comply with all requirements of licensure in the State of Michigan will result in the licensee being charged with a violation of the Michigan Liquor Control Code, MLCC Administrative Rules, and Commission order, which may result in fines, suspension, and/or revocation of this license.
